# Something Wonderful

Nestled in a fruitful valley, near the foothills of the Sequoia National Forest and only two miles away from Visalia City Center...*something wonderful is happening!*

Featuring two miles of walking paths, a gazebo, furnished outdoor decks and patios, quiet interior courtyards, and gardens, Quail Park on Cypress is destined to become the premier inspired senior living community in the San Joaquin Valley.

*Life is Happening*

Quail Park has been thoughtfully designed inside and out for your comfort, needs, and excitement. Our elegant, inviting, and beautifully appointed socializing areas (plus exceptional services and amenities) are always at your beck and call. Our staff is deeply committed to our residents and we welcome and embrace all communities and families of choice.

## ***Our Community Lifestyle***

Quail Park's philosophy is driven by your every desire...*with limitless options and amenities that craft the perfect blend of comfort and excitement.* Our belief is that wellness is not the things you do, it's the way you live...
