# Something Wonderful

Nestled in a fruitful valley, near the foothills of the Sequoia National Forest and only two miles away from Visalia City Center...*something wonderful is happening!*

Featuring two miles of walking paths, a gazebo, furnished outdoor decks and patios, quiet interior courtyards, and gardens, Quail Park on Cypress is destined to become the premier enhanced assisted living community in the San Joaquin Valley.

*Successful is Happening*

Our Enhanced Assisted Living (EAL) is a gentle mid-point for care delivery, between Assisted Living and Skilled Nursing. In EAL, our team is able to provide a more personal level of care than in our traditional assisted living. EAL is the best choice for families and loved ones who require more specialized care services but who also desire an extremely social, home-like environment.

## ***“MESOCIAL” Model***

Our Medical-Social (MESOCIAL) model allows us to provide a higher acuity of care services, while maintaining a social environment. We do this by encouraging activity-rich programming paired with warm and friendly suites in close proximity to the Care Station for the fastest turnaround in resident needs and personalization.

# ***Life Engagement***

## ***Diversity in Programming***

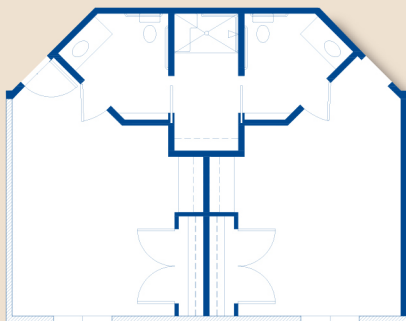

Our Life Engagement program offers a variety of social opportunities for residents to Live in Place – not age in place. These opportunities include traditional games, activities, and arts; but also include special events, family programming, community outings, and live entertainment. Our belief is that wellness is not something you do, it's the way you live. True wellness heals all – the mind, the body and the soul.

## ***Opportunities for Socialization***

Loneliness and isolation are among the leading causes of depression, sickness and decline in overall health and wellness. There is a great wellness, spiritual and cognitive benefit in providing opportunities for residents to develop friendships with other residents. Providing engaging programs provides our residents the time and opportunity to connect with and enrich one another's lives.
