

Welcome

Quail Park Memory Care Residences of Visalia offers extraordinary opportunities for engagement & growth. We offer everything your loved one could need to live their life joyfully, while in a warm and cozy setting surrounded by a skilled and caring support team that feels like family.

Personalized Approach to Memory Care

At Quail Park Memory Care Residences of Visalia, we know that the most effective Memory Care honors the individual. That's why our Tribute Memory Care program reflects the unique life story of each resident, tailoring care to their strengths while paying tribute to their past experiences. We dig deep to get to know each community member on a personal level. We know that providing great care means forging partnerships with the residents and their families. It builds trust and deepens communication and understanding. This team approach leads to highly customized service plans that honor your loved one's dignity and fill their days with joy.

Tribute™ Circle Program

Our Tribute™ Memory Care program is dedicated to providing personalized care for your loved one living with Alzheimer's or another form of dementia. We offer specialized programming to support your loved ones on their memory loss journey ensuring they continue to experience moments of joy.

We believe that each day presents opportunities for your loved one to discover new and purposeful experiences.

Our Memory Care program provides a private, homelike environment, supported by professional and highly trained Wellness Team Members. With the guidance and compassion of our team, your loved one will enjoy a range of engaging activities and amenities every day.
